

Fine Arts Fees Grants Description:

Fine Arts Fee Grants (FAF Grants) are student fee monies available to CFA Sponsored Student Organizations (on the SLC Campus). ASUU does not fund sponsored College of Fine Arts Sponsored Student Organizations. FAF Grants support student-led, non-credit activities that enhance student learning and experiences by delivering arts events to the University of Utah and the community at large. The FAF Grants Funding Committee awards up to \$100,000 annually.

FAF Grants Funding Committee:

The [FAF Grants Funding Committee](#) (Funding Committee) is constituted of CFA ASUU representatives, and three elected/appointed members from each CFA unit. Ideally these three representatives would be a 1st or 2nd year undergraduate student, a 3rd or higher-year undergraduate student, and a graduate student (if no graduate program, then another 3rd or higher- year student). SAC Chair(s) must ensure there are three members from their unit serving on the Funding Committee. The selection of Funding Committee members must be completed before the first FAF Grants Welcome Meeting in the fall semester. Each Funding Committee member can serve for two years, either consecutively or otherwise. The Funding Committee and FAF Grants process is coordinated and facilitated by the CFA Associate Dean for Undergraduate Student Affairs, the CFA Financial Analyst, and the CFA Administrative Assistant for Undergraduate Affairs. These members of the CFA Dean's Office are non-voting members of the committee.

FAF Grants Email Communication:

All FAF Grants email communication is conducted via the University UMail system. This includes communication to FAF Grants Representatives, CFA Sponsored Student Orgs, Student Org Faculty Advisors, and the CFA Dean's Office. All FAF Grants Funding Committee members may be contacted via email at fafgrants@utah.edu.

FAF Grants Proposal:

Funding Committee members must review this FAF Grants policy document and the FAF Grants application so they can answer FAF Grants-related questions. Information about the FAF Grants application process is available on the FAF Grants webpage at: <https://finearts.utah.edu/students/fafgrants/item/569>

FAF Grants Funding Committee Meetings:

The following FAF Grants meetings are required attendance for all FAF Grants Representatives (CFA ASUU Representatives are not required to attend but are welcomed to do so). If a Funding Committee member is unable to attend a meeting, a proxy must represent the Funding Committee member. The Associate Dean for Undergraduate Student Affairs should be notified in advance and provided with the name and UMail of the proxy who will be attending.

FAF Grants Welcome & Leadership Role Meetings

There are two Welcome & Leadership Role meetings each academic year, one in the fall and one in the spring. Funding Committee members are required to attend these training meetings early in the semester to review questions & concerns about the FAF Grants process and their roles.

FAF Grants Meeting with CFA Chairs/Directors

There is one required meeting with CFA Chairs/Directors, Departmental Business Officers, and Departmental FAF Grants Representatives in the fall and one optional meeting in the spring. These meetings are scheduled by the CFA Dean's Office after the FAF Grants proposal deadline to discuss questions and/or concerns with the CFA Units/Departments.

FAF Grants Prep Meetings

There are two Prep Meetings each academic year, one in the fall and one in the spring before the FAF Grant Funding Meetings. At these meetings, the committee will review submitted grants, and discuss questions or concerns. This meeting enables Funding Committee members to connect with student orgs and communicate grant revisions or required clarifications prior to inviting student orgs to present proposals at the Funding Meeting.

FAF Grants Funding Meetings

There are two [FAF Grant Funding Meetings](#) each academic year, one in the fall and one in the spring. After the spring FAF Grants funding meeting, the Funding Committee will discuss the FAF Grants policy and process and discuss changes for the next academic year. CFA Chairs/Directors are invited to attend Funding Meetings, but they are not required to attend, and they do not hold a vote in funding decisions. Only the Funding Committee has voting power to award or deny a grant.

Who May Apply for FAF Grants:

CFA Sponsored Student Orgs (on SLC Campus) in good standing with the department of [Student Leadership & Involvement](#) may apply for FAF Grants funding. (ASUU does not fund sponsored College of Fine Arts student organizations). Good standing refers to an organization maintaining its requirements for sponsorship recognition including completion of all required training and keeping their [Campus Connect](#) profile updated. Funding is awarded to support student-driven, noncredit projects that 1) enhance student learning, and/or 2) enhance the student experience for the larger University community, and/or 3) create or host arts events on campus or in the greater Salt Lake Area. FAF Grants projects must originate in the CFA, be advised by a CFA faculty member, and may involve students from other colleges.

Funding Committee Members and Participation in Student Orgs:

Funding Committee members are allowed to be members of CFA Student Orgs who are seeking FAF Grants funding. At the FAF Grants Prep Meeting, Funding Committee members must indicate grants with which they are involved. Funding Committee members cannot present FAF Grant proposals at Funding Meetings and they cannot provide additional information at Funding Meetings, but they are allowed to vote at Funding Meetings.

FAF Grants Funding Meeting Process:

Once the FAF Grants Funding Committee has approved grant proposals for presenting, student org

representatives are contacted by the Dean's Office to present proposals at the [FAF Grants Funding Meeting](#). Representative(s) from each CFA student org must present their grant proposal at the FAF Grant Funding Meeting. Funding Committee members may ask questions to clarify proposals and to determine whether all aspects of the grant are eligible for funding. Student Orgs have approximately 5 minutes to present proposals: 1-2 minutes to present the grant and any updates/corrections to the submitted proposal and approximately 3-5 minutes for Funding Committee questions. A designated timekeeper is used to make sure presentations are running according to their allotted time.

After the student orgs have presented, Funding Committee members prioritize funding of the grant proposals by submitting a ranking-sheet ballot. After the individual rankings have been tallied, Funding Committee members discuss the averaged rankings to determine how fees will be awarded for that grant cycle.

The Funding Committee has 20-minutes allotted for "open discussion" of the proposals. After the initial 20 minutes, the committee follows Robert's Rules of Order—by making a motion, debating the motion, and voting on the motion. A student leader, serving as Parliamentarian, ensures Roberts Rules are followed accurately. The final determination of funding is based on the Funding Committee's discussion during the meeting and a majority vote of those in attendance.

Evaluating FAF Grants Proposals:

Funding Committee members evaluate proposals based on several factors: the proposal's overall quality, its clarity of goals/benefits, and how feasible the execution of the project is within the proposed budget and timeframe. Within the proposal, the following topics should be addressed if they are applicable:

- Direct and/or long-term benefits to students or the student experience
- Innovation of proposed project
- Interdisciplinary activities
- Number of students involved/impacted
- Special opportunities

FAF Grants Restrictions:

CFA Sponsored Student orgs must work with their FAF Grants Representatives, student org leaders, CFA Faculty Advisor, and Unit/Department Head & Business Officer to abide by all University policies and procedures. The FAF Grants Funding Committee may also establish additional funding guidelines as deemed necessary.

- The ASUU Government does not fund student orgs that are sponsored by the CFA. CFA sponsored student orgs cannot request funds from ASUU. ([Redbook 6.12](#))
- The maximum FAF Grants award for each student org is \$6,000 annually.
- Student orgs must submit a grant for each unique proposed project. Multi-project grants will not be funded.
- No FAF Grant event/project will be funded in which students receive a grade, course credit (such as a study abroad, service- learning course, attendance credit, etc.) because of involvement with the event/project.
- Student Orgs will only spend funds according to the specific line items enumerated in its approved budget. However, the funding committee may approve reallocation of funds within the entity's approved budget if FAF Grants is notified in advance and approves the reallocation.
- The University is tax exempt, and FAF Grants is prohibited from reimbursing and using student fees for taxes.
- FAF Grants funds will not pay for services for which there is an unmanaged conflict of interest. See [University Rule 1-006E](#) about Individual Conflict of Interest for Financial Transactions. Conflicts of interest include any time in which a member of the organization is directly or indirectly receiving financial benefits or compensation.
- There are two FAF Grants funding cycles. All important FAF Grants funding cycles deadlines are posted on the [FAF Grants webpage](#).
 - Cycle One FAF Grants Funding Cycle:
 - The cycle one funding meeting takes place in the fall. Applications may be submitted for events that take place between July 1 through June 30 of the funding year.
 - Proposals are not typically awarded retroactively; however, if a student org receives notification of an opportunity for a performance or scholarly conference between July 1 and the fall FAF Grant funding meeting, the student org may submit a proposal for retroactive funding.
 - Retroactive funding for cycle one proposals is never guaranteed.
 - Cycle Two FAF Grants Funding Cycle:
 - The cycle two funding meeting takes place in the spring. Applications may be submitted for events that take place after the spring FAF Grants Funding Meeting and until June 30 of the funding year.
 - All cycle two proposals must be submitted prior to the planned event/project.
 - Proposals submitted in cycle two are not available for retroactive funding.
